| 2         | Based on a review of the forms and documents gathered during the course of this investigation, it was        |
| 3         | learned that notification to the Department of Social Services, Community Care Licensing Division, was       |
| 4         | first received on 05/18/2026 by this LPA from the facility Resident Services Director Reshmika Sharma.       |
| 5         | Based on a review of the forms and documents gathered during the course of this investigation, it was        |
| 6         | learned that notification to the Stanislaus County Health Services Agency (SCHSA) was sent out on            |
| 7         | 05/15/2026. There were emails and communications held with this agency from this facility throughout         |
| 8         | the discovery of the rashes and possible scabies with facility residents up until the clearance of a         |
| 9         | negative result for the last resident for scabies through skin scrapings and biopsies that were performed    |
| 10        | during this time.                                                                                            |
| 11        | It was learned that upon discovery of the rashes and possible scabies outbreak, facility care staff were     |
| 12        | instructed to adhere to the Infection Control plan and all affected residents were then isolated and         |
| 13        | monitored with treatment as prescribed by their attending licensed medical professionals.                    |
| 14        | It was learned that affected residents were scheduled with their primary care providers (PCPs) for           |
| 15        | further treatment and scheduled additional tests as well.                                                    |
| 16        | Based on interviews conducted during the course of this investigation, it was learned that this facility did |
| 17        | act accordingly to it's policies and procedures set forth in it's Infection Control Plan and involved all    |
| 18        | necessary parties with notifications and continuous updates.                                                 |

| 20        | As a result of this investigation, this Department found the allegations to be UNSUBSTANTIATED. A            |
| 21        | complaint allegation finding of Unsubstantiated meant that although the allegations may have happened        |
| 22        | or were valid, there was not a preponderance of the evidence to prove that the alleged violations            |
| 23        | occurred.                                                                                                    |
