| 3  | Licensing Program Analyst, LPA, Noel Wolf Petersen arrived unannounced to the facility to deliver       |
| 4  | findings of a complaint investigation, LPA Met with Administrator (ADM) Nick Gaither to explain the     |
| 5  | purpose of the visit.                                                                                   |
| 6  |                                                                                                         |
| 7  | During the investigation LPA conducted interviews and reviewed hospital records and R1s facility file.  |
| 8  | Interview with S1 and the ADM revealed that on 2/26/26 R1had an unwitnessed fall and was discovered     |
| 9  | on the ground with a laceration on the cheek. According to interview with S1, they contacted the        |
| 10 | Responsible Party whom is identified by the facility as having Durable Power for medical decisions      |
| 11 | (DPoA) whom refused the facilities suggestion to seek medical assessment such as calling 911. On        |
| 12 | 02/27/26 per the Unusual Incident Report submitted to CCL, and interview with S2, S2 and the            |
| 13 | administrator chose to send the R1 out for evaluation of the previous day's injury in response to a     |
|    | complaint of pain by R1. R1s LIC602 documents resident is unable to make needs known. Interview with    |
|    | the Reporting Party revealed that suture care would have been applied if R1 had come in to the hospital |
|    | the previous day.                                                                                       |
