Item #	Rule (16.03.22)	Description
1	.009.06.c. Use of Previous Criminal History and Background Check.	One of two employees, whose files were reviewed and required an Idaho State Police background check, did not have the check completed prior to working alone with residents. The administrator confirmed the Idaho State Police background check had not been completed.
2	.310.01.g. Medication Distribution System.	The facility did not ensure all residents' as-needed (PRN) medications were available. For example, Resident #3's acetaminophen, bisacodyl, Miralax, and senna plus and Resident #4's hyoscyamine were not available in the facility. Resident #6's Milk of Magnesia and melatonin were not available in the facility. The facility nurse stated she was unaware there had been issues with PRNs not available in the medication carts.
3	.330.13. Personnel Records.	Two of seven staff records did not contain documentation of multiple required components, an application for an Idaho State Police Background Check, CPR/First Aid certification, 16 hours of orientation, medication administration certification, and nursing delegation. The administrator confirmed the staff records did not contain documentation of these items.
