Item #	Rule (16.03.22)	Description
1	.335.03. Reporting of Individual with an Infectious Disease*	The facility did not report individuals with an infectious disease to the local health district authority. Resident #2 tested positive for COVID-19 on 12/28/21, and Resident #3 tested positive on 1/3/22, but the facility did not report the results to the health district. The facility nurse and administrator confirmed they did not report the positive test results to the local health district immediately. Local public health district personnel confirmed the facility did not report to the positive cases to them until 3/1/2022.
