|                                                                                                |
|------------------------------------------------------------------------------------------------|
| The center failed to ensure residents were not physically, verbally, or psychosocially abused. |
|------------------------------------------------------------------------------------------------|

An unannounced on-site investigation was initiated 01/26/2024 at 10:49 a.m.

A sample of five residents, including any identified residents, was selected for the investigation based on the concerns relevant to the allegation.

The investigation was conducted following standards set by the statutes, rules and regulations of the State of Oklahoma utilizing Investigative Protocols. Evidence was obtained through observations; interviews with residents, family members, staff members and others as indicated; and review of pertinent written and electronic records.

### A Summary of Complaint Investigation:

A tour of the facility was conducted upon entrance and at other various times throughout the survey. Resident halls were observed for staff presence. Staff were observed for assisting residents with their needs and staff interactions with residents. Meal service was observed.

Resident records were reviewed including physician orders, care plans, interdisciplinary notes, incident reports and State reportable incidents. Policy and procedures were reviewed. Grievance records were reviewed. Employee files were reviewed.

Residents were interviewed related to the provision of abuse. They were asked if they had any concerns with the way they were treated in the facility.

Staff members were interviewed regarding the facility policy for abuse. They were asked if they had identified any concerns with staff and resident interactions.

The attached Statement of Deficiencies, Form 2567 will identify any deficiencies cited.

Thank you for bringing your concerns to our attention.
