COMMISSIONER

BILL HASLAM
GOVERNOR

November 29, 2016

Richie L. Anderson, Administrator
Mt. Pleasant Healthcare and Rehab
904 Hidden Acres Drive
Mount Pleasant, TN 38474

Dear Mr. Anderson:

From October 24 through November 3, 2016, surveyor(s) for the Department of Health conducted an annual survey at your nursing home pursuant to T.C.A. § 68-11-210. Upon exiting the facility on November 3, 2016, the surveyor(s) notified you or your representative of the possibility of the issuance of a suspension of admissions and a Type A civil monetary penalty, due to deficient practices and conditions in the home which are, or are likely to be, detrimental to the health, safety, or welfare of the residents. T.C.A. § 68-11-812.

As Commissioner of the Tennessee Department of Health, I therefore suspended the admission of new residents to the facility pursuant to T.C.A. §§ 68-11-207(b)(1) and 68-11-813 due to those investigative findings cited above, effective November 16, 2016.

On November 22, 2016, surveyor(s) for the Department of Health conducted a follow-up survey at your nursing home pursuant to T.C.A. § 68-11-210 to determine if the deficient practices and conditions in the home which were, or were likely to be, detrimental to the health, safety, and welfare of the residents had been corrected as stated in the facility's approved plan of correction. Upon exiting the facility on November 22, 2016, the surveyor(s) determined that those deficient practices and conditions have been corrected, and the facility returned to substantial compliance for State licensing purposes on November 22, 2016.

Therefore, I find, based upon the follow-up survey report that the deficient practices and conditions detrimental to the health, safety, or welfare of the residents were corrected and the facility has returned to substantial compliance. On November 29, 2016, I ordered the lifting of the suspension of admission of new residents to the facility pursuant to T.C.A. § 68-11-207 and ordered the release of the special monitor who was appointed pursuant to T.C.A. § 68-11-221 to observe the operation of the facility.

Sincerely,

A handwritten signature in blue ink, appearing to read "John J. Dreyzehner", written over a horizontal line.
