CONSENT ORDER

This matter came to be heard before the Tennessee Board for Licensing Health Care Facilities (“Board”), pursuant to the request of the Tennessee Health Facilities Commission (“Commission”), by and through the Office of Legal Services, and The Bridge At Hickory Woods (“Respondent”) that the Board adopt this Consent Order, the terms of which have been agreed upon by the parties, as signified by their signatures below.

I. JURISDICTION

1. The Board has the power to license and regulate hospitals, recuperation centers, nursing homes, homes for the aged, residential HIV supportive living facilities, assisted care living facilities, home care organizations, residential hospices, birthing centers, prescribe childcare centers, renal dialysis clinics, ambulatory surgical treatment centers, outpatient diagnostic centers, adult care homes, and traumatic brain injury residential home. T.C.A. § 68-11-202(a)(1).

2. The Commission has the authority to conduct reviews of assisted care living facilities to determine compliance with fire and life safety code regulations promulgated by the Board. T.C.A. § 68-11-202(b)(1)(A).
3. An assisted care living facility (“ACLF”) is a facility, building, establishment, complex or distinct part thereof that accepts primarily aged persons for domiciliary care and services. T.C.A. § 68-11-201(4)(A) and Tenn. Comp. R. & Regs. 0720-26-.02(7).
4. “Primarily aged” means at least fifty-one percent (51%) of the population of the facility is at least sixty-two (62) years of age. Tenn. Comp. R. & Regs. 0720-26-.02(34).
5. The ACLF shall provide on-site to its residents’ room and board and non-medical living assistance services appropriate to each resident’s needs, such as assistance with bathing, dressing, grooming, preparation of meals and other activities of daily living. T.C.A. § 68-11-201(4)(B) and Tenn. Comp. R. & Regs. 0720-26-.02(2).
6. The Commission shall conduct on-site inspections and investigations as may be necessary to safeguard and ensure at all times, the public’s health, safety, and welfare. T.C.A. § 68-11-210(c).
7. Upon a finding by the Board that an ACLF has violated any provision of Tenn. Code Ann. §§ 68-11-201, et seq., or the rules promulgated pursuant thereto, action may be taken, upon proper notice to the licensee, to impose a civil penalty, deny, suspend, or revoke its license. T.C.A. § 68-11-207.

II. STIPULATIONS OF FACT

8. At all times pertinent hereto, Respondent, The Bridge At Hickory Woods, 4220 Murfreesboro Pike, Antioch, Tennessee 37013, was licensed by the Board as an ACLF,

having been granted license number 360 on October 17, 2014, which currently has an expiration date of October 16, 2024.

9. On or about February 7, 2023, a complaint survey of the facility was completed, resulting in findings of deficiencies.
10. Based on observation, record review, and interviews with facility staff, it was determined that the facility failed to provide protective care by accidentally administering the wrong medications to one resident. Further, the facility failed to properly maintain the resident's records by not properly documenting the medication administration error and not following proper procedures after the error occurred.
11. On or about July 30, 2022, Resident #2 was accidentally administered medications intended for another resident by Registered Nurse ("RN") #1. RN #1 immediately realized the error and assessed the patient's vital signs, noting no abnormalities. RN #1 also notified the facility's Executive Director.
12. The assessment done by RN #1 was included in the resident's records, however there was no documentation reflecting the medication administration error, or any follow-up action taken by the facility. The resident's family was not notified of the error and only became aware of it after the complaint survey was already in progress.
13. Resident #2 did not suffer any harm as a result of the medication administration error.
