A complaint inspection was initiated on 12/21/2020 and concluded on 12/22/2020. A complaint was received by the department regarding allegations in the areas of medications administration. The Administrator was contacted by telephone to conduct the investigation. Records were reviewed and interviews were conducted. The licensing inspector emailed the Administrator a list of documentation required to complete the investigation. The evidence gathered during the investigation did not support the allegation of non-compliance with standards or law.
