Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia.

A renewal inspection was initiated on March 19, 2021 and concluded on March 23, 2021. The Administrator was contacted by telephone to initiate the inspection. The Administrator reported that the current census was 66. The inspector emailed the Administrator a list of items required to complete the inspection. The inspector reviewed 4 resident records, 4 staff records, activities, staff schedules, healthcare oversight, fire drills, and the dieticians report submitted by the facility to ensure documentation was complete.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
