#### Comments:

A monitoring inspection was initiated on August 26, 2021 and concluded on August 31, 2021. The Administrator was contacted by telephone to initiate the inspection. The Administrator reported that the current census was 29. The inspector emailed the Administrator a list of items required to complete the remote documentation review portion of the inspection. The inspector reviewed 3 resident records, 3 staff records and fire drills submitted by the facility to ensure documentation was complete. An exit interview was conducted with Administrator on the date of inspection, where findings were reviewed. The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
