A monitoring inspection was initiated on 06/10/2021 and concluded on 06/17/2021. The administrator was contacted by telephone to initiate the inspection. The administrator reported that the current census was eighty three (83). The inspector emailed the administrator a list of items required to complete the inspection. The inspector reviewed four (4) resident records, four (4) staff records, U.A.I.s, [MARs](#), activities calendar, staff schedules, health care oversight, health inspection and fire inspection submitted by the facility to ensure documentation was complete.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
