Comments:

A monitoring inspection was initiated on 01/26/2021 and concluded on 01/26/2021. The Administrator was contacted by telephone to initiate the inspection. The Administrator reported the current census. The inspector emailed the Administrator a list of items required to complete the inspection. The inspector reviewed 4 resident records, 4 staff records, and additional documents submitted by the facility to ensure documentation was complete.

Information gathered during the inspection determined non-compliance(s) with applicable standards or law, and violations were documented on the violation notice issued to the facility.

Violations:

Standard #: 22VAC40-73-550-G
Description: Based on resident record review the facility failed to ensure rights and responsibilities of residents in assisted living facilities shall be reviewed annually with each resident or his legal representative or responsible individual as stipulated in subsection H of this section and each staff person.
Evidence: On 01/26/2021 while reviewing the annual resident rights for resident #4, documents resident #4's responsible party last reviewed and signed the resident rights on 02/04/2019.
