Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia.

A renewal inspection was initiated on 1/21/2021 and concluded on 3/4/2021. The administrator was contacted by telephone to initiate the inspection. The administrator reported that the current census was sixty two (62). The inspector emailed the administrator a list of items required to complete the inspection. The inspector reviewed four (4) resident records, four (4) staff records, activities calendar, staff schedules, training records, [MARs](#), [UAI](#)s, and physician orders submitted by the facility to ensure documentation was complete.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
