Observations by licensing inspector: daily activities and medication administration
Additional Comments/Discussion:

An exit meeting will be conducted to review the inspection findings.
The evidence gathered during the inspection determined non-compliance with applicable standard(s) or law, and violation(s) were documented on the violation notice issued to the facility. The licensee has the opportunity to submit a plan of correction to indicate how the cited violation(s) will be addressed in order to return the facility to compliance and maintain future compliance with applicable standard(s) or law.

If the licensee wishes to provide a plan of correction: (i) type the plan on a separate Word document, (ii) identify the standard violation number being addressed, (iii) include the date the violation will be corrected, (IV) do not include any names or confidential information, and (V) return to the licensing inspector by email within five (5) business days of the exit interview.

Compliance with all applicable regulations and law shall be maintained and any areas of noncompliance must be corrected.

Within 15 calendar days of your receipt of the inspection findings (inspection summary, violation notice, and supplemental information), you may request a review and discussion of these findings with the inspector's immediate supervisor. To make a request for review and discussion, you must contact the licensing supervisor at the regional licensing office that serves your geographical area.

Regardless of whether a supervisory review has been requested, the results of the inspection will be posted to the DSS public website within 5 business days of your receipt of the Inspection Summary and/ or Violation Notice.

The department's inspection findings are subject to public disclosure.

Please Note: A copy of the findings of the most recent inspection are required to be posted on the premises of the facility.

Should you have any questions, please contact Vashti Colson, Licensing Inspector at (804) 662-9432 or by email at Vashti.Colson@dss.virginia.gov

Violations:

Standard #:	22VAC40-73-260-A
Description:	VIOLATION: Based upon the record review, the facility failed to maintain first aid certification for each direct care staff member. EVIDENCE: Staff record #2 failed to have First Aid/CPR certification. During the exit conference , the facility failed to provided evidence that would dispute the cited violation.
Plan of Correction:	RMA's will review medication management plan and complete a four hour medication aide refresher course facilitated by pharmacy within 30 days or come off schedule . RMA's will receive weekly med pass observation to ensure standards are followed.
Standard #:	22VAC40-73-680-D
Description:	VIOLATION: Based upon the observation of 2:00 p.m. medication pass that occurred on June 10, 2022, the facility failed to administer all medications in accordance with the physician's or prescriber's instructions or per the practice outlined in the current registered medication aide curriculum. EVIDENCE: Upon entering Resident X's room for the 2:00 p.m. medication pass observation, the inspector and Med Tech #1 observed a medication cup , containing two small brown pills, sitting on the night stand beside the resident's bed. Resident X and the Med Tech #1 confirmed that the medication was Resident X's Senna pills that were left over from the June 10, 2022, morning medication pass.
Plan of Correction:	Employee files will be audited by the administrator for completion or First Aid/AED certification staff that do not have First Aid certification within two weeks will be removed from the schedule. New hires will be enrolled in first AID/AED courses to be completed within 30 days of hire.
