Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia.

A renewal inspection was initiated on 11/23/20 and concluded on 12/04/20. The executive director was contacted by telephone to initiate the inspection. The executive director reported the current census as 93. The inspector emailed the executive director a list of items required to complete the inspection. The inspector reviewed five resident records, five staff records, staff schedule, fire drills, and outside inspections submitted by the facility to ensure documentation was complete.

Information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
