#### Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia. A mandated renewal inspection was initiated on 1-4-2021 and concluded on 1-5-2021. The Administrator was contacted by email to initiate the inspection. The Administrator reported that the current census was 72. The inspector emailed the Administrator a list of items required to complete the inspection. The inspector reviewed five resident records, five staff records, medication administration records, local fire and health inspection and other documentation submitted by the facility to ensure documentation was complete. All background checks of staff hired after the most recent inspection were reviewed. The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued. Thank you for your cooperation and if you have any questions please call 703-314-0604 or contact me via e-mail at tammy.pruitt@dss.virginia.gov.
