Comments:

This inspection was conducted by Licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia. A renewal inspection was initiated on 5/6/2021 and concluded on 5/10/2021. The Administrator was contacted by telephone to initiate the inspection. The Administrator reported that the current census was 70. The Inspector emailed the Administrator a list of items required to complete the inspection. The Inspector reviewed 4 resident records, 4 staff records, staff schedules, Virginia criminal background checks, sworn affirmations, physician's orders, medication administration records, fall risk assessments, fire and health inspections, fire drills, medication/pharmacy review, health care and dietitian oversights submitted by the facility to ensure documentation was complete. The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
