As per the DSS memo dated 4/14/2020 regarding suspension of DSS ALF Regulation Requirements the Health Inspection dated 2/27/2020 is acceptable although it is older than one year however, please consult with the local Health Department to secure the most recent procedure for health inspections that are past due.

Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia. A mandated monitoring inspection was initiated on 3/15/2021 and concluded on 3/19/2021. The Administrator was contacted by email to initiate the inspection. The Administrator reported that the current census is 61. The inspector emailed the Administrator a list of items required to complete the inspection. The inspector reviewed four resident records, four staff records, medication administration records, local fire and health inspection and other documentation submitted by the facility to ensure documentation was complete. All background checks of staff hired after the most recent inspection were reviewed. The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued. Thank you for your cooperation and if you have any questions please call 703-479-4708 or contact me via e-mail at lynette.storr@dss.virginia.gov.
