Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia. A renewal inspection was initiated on 06/23/2021 and concluded on 06/25/2021. The administrator was contacted by telephone to initiate the inspection. The administrator reported that the current census was one hundred and one (101). The inspector emailed the (person in charge) a list of items required to complete the inspection. The inspector reviewed four (4) resident records, four (4) staff records, activities calendar, staff schedules, U.A.I.s, M.A.R.s, training records, health inspection, and fire inspection submitted by the facility to ensure documentation was complete.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
