Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia.

A renewal inspection was initiated on 12/7/2020 and concluded on 12/8/2020. The administrator was contacted by telephone to initiate the inspection. The administrator reported that the current census was 14. The inspector emailed the administrator a list of items required to complete the inspection. The inspector reviewed two resident records, two staff records, current fire and health inspection reports, healthcare and dietary oversight reports, fire drill reports, and the staff scheduled for two weeks submitted by the facility to ensure documentation was complete. There were no new hires since the last mandated inspection conducted on 10/15/2020. The exit interviewed was conducted by telephone on 12/8/2020.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
