Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia.

An initial inspection was initiated on 2/25/21 and concluded on 3/5/21. The administrator was contacted by telephone to initiate the inspection. The administrator reported that the current census was 38. The inspector emailed the administrator a list of required items to complete the inspection. Facility reports, policies and inspections were reviewed.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
