Comments:

This inspection was conducted by licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia.

An initial inspection was initiated with a virtual tour of the facility on 3/18/2021 with the administrator. Policies and procedures were reviewed; revisions to be reviewed at monitoring inspection. Additional documentation was reviewed 3/26/2021. The inspection was necessary due to a change of ownership. Administrator license was renewed through 3/31/2022. The most recent health and fire inspections are current and a fire inspection is planned under new ownership. Requests for criminal background records were submitted 2/01/2021 and are anticipated prior to change of ownership, with leniency noted due to the state of emergency.

An exit interview was conducted with the Administrator on 4/05/2021. No violations were cited.

Thank you for your cooperation and if you have any questions please call (703) 895-5627 or contact me via e-mail at jeannette.zaykowski@dss.virginia.gov.
