Comments:

An announced mandated initial on-site inspection was initiated on 09/13/2021 and concluded on 09/13/2021. The Administrator reported that the current census was 45. The licensing inspector (LI) conducted a tour of the physical plant and observed the following: interior and exterior of the building, common areas, the facility's emergency food and water supply, required postings that included resident rights, activities schedule, oxygen in-use signs, current menu posted for meals, current first aid and CPR listings, viewed the facility's first aid kit to ensure all required components were included, residents' rooms to ensure all items/furnishings were available, and furnishings and fixtures were clean and in good repair. All policies and procedures submitted by the facility have been reviewed to ensure documentation was complete.

The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
