Current Inspector: Lanesha Allen (757) 715-1499

Inspection Date: May 6, 2022

Complaint Related: No

Areas Reviewed:

22VAC40-73 BUILDINGS AND GROUND
22VAC40-73 EMERGENCY PREPAREDNESS

Comments:

Type of inspection: Initial
 Date(s) of inspection and time the licensing inspector was on-site at the facility for each day of the inspection: 05/06/2022 from 9:33 am to 11:30 am.
 The Acknowledgement of Inspection form was signed and left at the facility for each date of the inspection.
 The licensing inspector completed a tour of the physical plant that included the building and grounds of the facility.
 Observations by licensing inspector: The first aid kit, menu, and activity calendar were reviewed along with samples of the water temperature taken.

An exit meeting will be conducted to review the inspection findings.

The evidence gathered during the initial inspection determined non-compliance with applicable standard(s) or law, and violation(s) were documented on the violation notice issued to the facility. The applicant has the opportunity to submit a plan of correction to indicate how the cited violation(s) will be addressed in order to maintain future compliance with applicable standard(s) or law.

If the applicant wishes to provide a plan of correction: (i) type the plan on a separate Word document, (ii) identify the standard violation number being addressed, (iii) include the date the violation will be corrected, (IV) do not include any names or confidential information, and (V) return to the licensing inspector by email within five (5) business days of the exit interview.

Compliance with all applicable regulations and law shall be maintained and any areas of noncompliance must be corrected.

Within 15 calendar days of your receipt of the inspection findings (inspection summary, violation notice, and supplemental information), you may request a review and discussion of these findings with the inspector's immediate supervisor. To make a request for review and discussion, you must contact the licensing supervisor at the regional licensing office that serves your geographical area.

Regardless of whether a supervisory review has been requested, the results of the inspection will be posted to the DSS public website should the facility be issued a license to operate.

The department's inspection findings are subject to public disclosure.

Please Note: A copy of the findings of the most recent inspection are required to be posted on the premises of a licensed facility.
