Comments:

This inspection was conducted by Licensing staff using an alternate remote protocol necessary due to a state of emergency health pandemic declared by the Governor of Virginia. A renewal inspection was initiated on 3/11/2021 and concluded on 4/26/2021. The Administrator was contacted by telephone to initiate the inspection. The Administrator reported that the current census was 40. The Inspector emailed the Administrator a list of items required to complete the inspection. The Inspector reviewed 3 residents records, 3 staff records, staff schedules, criminal background checks and sworn affirmations on new hires since last inspection, physician's orders, medication administration records, medication/pharmacy review, health care and dietitian oversights, health and fire inspection and fire drills submitted by the facility to ensure documentation was complete. The information gathered during the inspection determined no violations with applicable standards or law. No violations were issued.
