On January 18, 2024 DSFM Christian entered Brookdale Foundation House in regards to complaint # 114474. The complaint was regarding a busted sprinkler pipe.

I spoke with the maintenance person who stated during the cold weather they had a sprinkler pipe burst in resident room 117. The resident was removed from the room while they wait for repairs to be conducted. At this time they are currently waiting for the contractor to schedule a time to come out. The facility is conducting a fire watch at this time.

When repairs have been made and the system is back up and running the facility will need to contact me and send over their fire watch forms.

No violations observed at this time.

Next inspection scheduled on or after:

Right of appeal. Any person may appeal any decision made by the Fire Protection Bureau in accordance with WAC 212-12.
