Yes, No 	<p>On 9/13/2023, an investigation for complaint ID# 97069 at Village Concepts of Fairwood, in Renton, WA. The complaint was in regards to a ruptured fire sprinkler system water main and inoperable fire alarm system that occurred on 9/6/2023.</p> <p>An interview was conducted with the facility's maintenance director and record review was conducted of the facility's fire protection system reports, fire watch policy, and fire watch records.</p> <p>Based on the interview, a staff member backed a community vehicle into the fire sprinkler riser room, damaging the side of the building, which dislodged the fire sprinkler system piping and caused water to flood the riser room and parking lot, setting off the fire alarm system.</p> <p>The fire sprinkler contractor was able to temporarily restore the fire sprinkler system until repairs to the water main can be completed. The fire alarm control panel sustained extensive water damage and is inoperable, requiring a full replacement. No injuries were reported and no resident evacuations were necessary.</p> <p>Facility states that all necessary repairs to the fire alarm and fire sprinkler systems are set to start tomorrow (9/14).</p> <p>No violations were observed with the facility response to the incident, and no IFC violations were detected. SFMO re-inspection will be required to ensure the systems are fully restored.</p>
